Mayor’s Message

Tod Reservoir Public Meeting
SA Water recently came over and held a public meeting at the Tumby Bay RSL to explain their proposed project on the Tod Reservoir. The project involves putting permanent drains in the Reservoir to reduce the capacity down to just 8% of its constructed capacity, to conform to their adopted guidelines on avoiding the risk of a 1 in 600,000 year event where there may be potential risk of the dam wall overtopping. Council has been very strong in our opposition to this project from a number of different perspectives, from water security, public interest, risk management, and economic validity. At the public meeting, the very strong message from the approximately 80 community members present was that SA Water should halt any progression of this project until the community has been more thoroughly informed and consulted, and there is more data around the justification and ramifications of the project. I will continue to be very involved in this issue, and am always working hard at thoroughly representing our community, both here in our council area and further abroad.

Tumby Bay Showboat - Stars of the Future
My congratulations must go to all who were involved in the recent Showboat presentation, “Stars of the Future”. The quality of the performances from the young people participating was matched by the hard work and diligence of those involved on the production side. It provided an opportunity for our young people to add to our culture artistically, through music and dance, as well as raising money for the upgrade of one of our great community assets, the Tumby Bay Soldiers Memorial Hall. Much gratitude is to be extended to those members of the Tumby Bay Showboat Committee, especially Bev Ollivier, Heide Roberts, and Bev Holder, on their initiative and hard work.

The recent wet and windy weather has certainly meant that council staff and resources have been needing to work very hard, with erosion on some of our roads, as well as trees and branches down. District Council of Tumby Bay have over 1100km of roads that are our responsibility, so to be fully aware of each section is a difficult task, so I would encourage all our residents and ratepayers to work with council in letting us know of immediate issues, and to be patient with our attempts to solve issues!

Waste Collection

The town bin collection services are now provided by VEOLIA who have purchased the business from Cave Civil and Environmental, who provided an excellent service to ratepayers. Veolia now collect bins in the Council areas of Tumby Bay, Lower Eyre Peninsula and Port Lincoln and own and operate the landfill facility at Butler. Normal enquiries for new/replacement bins can still be made to the Council office and other enquiries or complaints can be directed to the new Veolia contacts as listed below. All transfer station operations at Tumby Bay, Port Neill and Ungarra are unaffected by this change and will continue to operate as usual.

Phone: 08 8645 8849 (Whyalla office)
Email: whyalla@veolia.com.au

Trevor Smith
Chief Executive Officer

Construction Industry Training Board Levy

As of the 1st July 2016 the Construction Industry Training Board (CITB) approved to discontinue the use of Councils acting as collection agents for the CITB. The CITB preference is for constituents to pay the required levy on-line at www.citb.org.au. Alternatively you can telephone (08) 8172 9500.

CONSTRUCTION INDUSTRY TRAINING BOARD LEVY is required if development cost is greater than $15,000. The levy is calculated at 0.25% of the building or construction cost including GST. This includes fitout costs but excludes elements not integral to the structure i.e. loose furniture, removable items such as fridges, dishwashers, workstations, rugs etc. (Training Levy in relation to Second-hand Transportable Dwellings applies to transportation/installation costs only). A copy of the receipt must be forwarded to Council for the Development Application to be processed.

Landholders are advised that the Tumby Bay DrumMuster Collection Centre will operate on Wednesday 20th July Thursday 21st July 2016 Open 8.30am to 4.30pm at the Pumpa Street Depot
Enquiries/bookings may be made by contacting the Council Office Phone 8688 2101
Community Development Officer's Report

Grants
- Recreational Fishing: Environmental Protection Screen
  President David Hauesler 08 8688 2478
- Community Benefit SA: Solar Panels - Sharing the Sun through Solar Churches of Christ - Mr Geoff Payne 08 8269 7873
- Active Club: Facility Development Funding Tumby Bay Bowling Club - Bill Richardson 0427 882 291
- Stronger Communities Programme: Disabled toilet in the Tumby Bay Hall
  Trevor Smith 08 8688 2101
- Saluting Their Service: WW1 Plaque Community and Tumby Bay RSL
- Saluting Their Service: Restoration of Club Honour Boards and Frames
- Grants SA: Proposal for buying tables and chairs

It is likely there will be no response until after the elections.

Meetings
- Skate Park: Several meetings held with a committee of adults and children as preliminary discussion. Costs for plans, materials etc. with deputation to go to Council as soon as possible.
- Pioneer Tower: further discussion after return of committee members.

YAC

- Raffle wrapped and ready to sell tickets at home footy match and down the street. Relay for Life is October 22nd and 23rd.
- Yallunda Flat Show: Two bouncy castles, one bubble soccer, gladiator and lucky dips for sale at the Show.
- Christmas Pageant involvement.

Lions Club Christmas Pageant
Meeting Monday 19th September at Tumby Bay Bowling Club 7.30pm

It is vital for as many to attend the LIONS Christmas Meeting as possible.

There must be a strong representation of community, business and organisations for this event to continue.

Please support this event as it is known across the Eyre Peninsula as the Pageant just before or on Christmas Eve.

I will not be at the Council offices until 4th October 2016. I am taking Long Service Leave.

I cannot imagine what it is like not to be doing things each day within the community and loving it. Ian and I will experience each other in a new role, sitting, watching the world go by. It is a big country out there and it’s time to breathe in and enjoy. Keep the home fires burning.

Christine Charlton
Community Development Officer

Compliance

Dog Registration: 1 July to 30 June of any one year

Dog and Cat Management Act 1995

33—Dogs must be registered
1. Every dog of or over 3 months of age must be registered under this Act.
2. If a dog of or over 3 months of age is unregistered, any person who owns or is responsible for the control of the dog is guilty of an offence.

Expiation fee: $80

36—Duration and Renewal of Registration
1. Registration under this Act remains in force until 30 June next ensuing after registration was granted and may be renewed from time to time for further periods of 12 months.

37—Notifications to ensure accuracy of registers
1. The person in whose name a dog is individually registered must inform the Registrar of the area in which the dog is registered as soon as practicable after any of the following occurs:
   a. the dog has died;
   b. the dog has been missing for more than 72 hours;
   c. the place the dog is usually kept has changed;
   d. the ownership has been transferred to another person.

Expiation Fee: $80

New Dog and Cat Legislation is planned to be introduced in 2017 to enable dog and cat breeders to register on application with the Dog and Cat Management Board:

A standard dog or cat means a dog or cat that:
- is both de-sexed and micro-chipped (or exempt from any requirement to be de-sexed and micro-chipped; or
- is exempt from a requirement under the Act to be de-sexed but is micro-chipped; or vice versa.

The increase of expiation fees i.e. for failure to register a dog or dog wandering at large from $80 to $315.

Dog Registrations

Dog owners are reminded that registrations are due by 31st August 2016. Any dog over the age of three months is required to be registered.

Proof of entitlement is required when registering a dog for the first time. (e.g. pension card, desexing certificate, microchip certificate and number or training certificate).

Mayor
BreastScreen SA's mobile unit visiting Port Lincoln

BreastScreen SA’s mobile unit is visiting Port Lincoln to provide free screening mammograms (breast X-rays) to more than 2,500 local women. Located in the car park of the Arteyrea Workshop, 23 Mortlock Terrace, appointments for screening will begin in late July and will conclude in late October 2016.

This free government service is primarily recommended for all women aged 50 to 74 years without breast symptoms. Local women who are eligible for screening will receive invitations over the coming weeks and new clients are also welcome to make a booking. Appointments can be made by phoning 13 20 50, and a doctor’s referral is not required.

BreastScreen SA’s Promotions and Education Manager, Karen Woodcock, said the two biggest risk factors for breast cancer are being a woman and being over 50.

“Further, nine out of 10 women who get breast cancer have no family history of this disease,” Ms Woodcock said.

While breast cancer cannot be prevented, the best way to detect it early is by having a screening mammogram every two years. Screening mammograms can detect most breast cancers, including some that are too small to be felt.

“An appointment can take as little as 10 minutes, and our specially trained female radiographers are very sensitive to every woman’s needs,” Ms Woodcock said.

“They will ensure the procedure is as quick and comfortable as possible.”

Each woman’s X-rays are read by two, independent radiologists and the results are posted within 14 days. Most women who attend for screening are reassured that their mammogram shows no evidence of breast cancer.

“One screening mammogram is not enough to last a lifetime,” said Ms Woodcock.

“So if you’re a woman aged 50 to 74, have a breast screen every two years on the mobile screening unit while it’s visiting Port Lincoln.”

“Please call 13 20 50 today. With early detection, there is a greater chance of successful treatment.”

LEHAC Member Profile

Name: Wendy Holman
Contact: 8676 2539
Location: Cummins
Position: District Council of Lower Eyre Peninsula Representative

Originally from Eudunda in the Mid North, Wendy started her teaching career in Cummins in 1973, and became part of the “marriage market” with other young teachers and nurses on Eyre Peninsula. She married a Cockaleechie farmer, Geoff Holman, and their family of 3 children are now married and have their own families. Nine grandchildren are the delight in retirement!

Retiring in 2001 from a full time career as a secondary teacher/teacher librarian spanning 25 years, Wendy then volunteered her time in support of community projects and maintaining services in the Cummins and Cockaleechie districts.

Over the past 15 years, Wendy invested countless volunteer hours being involved in the following valuable community organisations:

- As a director/past Secretary of the Cummins District Financial Services which operates the Cummins District Community Bank, and has contributed significant financial support to Health Services in this district.
- For 5 years as a Director of the Board of the Lower Eyre Health Services responsible for Cummins District Memorial and Tumby Bay Hospitals. Wendy was Chairperson for 3 years overseeing budgets, and project planning.
- When the government abolished Local Hospital Boards she was appointed to the Lower Eyre Health Advisory Council (LEHAC) as inaugural Presiding Member. In that time involvement included major building projects at both Cummins and Tumby Bay, as well as producing meeting agendas, newsletters and managing community surveys and communicating Country Health plans to community, representing Lower Eyre Health in Departmental meetings and contributing to regional health networks.
- It is crucial that LEHAC represents the community voice in what our future Health Services will be, and we must lobby government to ensure we are acknowledged as offering a critical service in our community.
- Involvement for 20 years with the Cummins District Enterprise Committee, as past Chairperson and currently a pro-active member.
- Board director of the Eyre Peninsula Community Foundation for 4 years and secretary for 18 months.

In 2001, Wendy Holman was awarded South Australian Citizen of the Year.
Here are just a few new titles that have just arrived into the library – there are many more. Come for a browse and have a look for a book or magazine. It is **free** to join the library. We also have a selection of large print books and if you are sight impaired you may borrow hear-a-books. **We are now on the One Card Network that gives you access to millions of books, DVDs, CDs and magazines.** Don’t forget we also have **free** access to the internet.

**The Big Book Club ~ July selection**

**Of Ashes and Rivers that Run to the Sea**

Marie Munkara has written an incredibly open and honest account of her life, having been removed from her family at three years old, adopted by strict Catholics, and then returning to her birth family.

She holds nothing back reflecting on her abusive adoptive parents and the challenges she faces when she reconnects with her family and country.

This book deals with her need to embrace aspects of both the culture she was raised in, and the one she had to start to relearn at twenty-eight years of age. It raises issues that face Aboriginal people today and in the past, with candour and hope.

**13 Minutes**

When popular teenager Natasha Howland is found in the icy river, it is assumed she is dead. But then the man who found her saw movement, but by the time the ambulance came she had not had a pulse for thirteen minutes.

She is revived and through her recovery she struggles to remember why and how she was there, as the investigation covers her friends and acquaintances.

Old friend Becca, who is no longer part of Tasha’s in-crowd, is suddenly back in her good books, while fellow ‘Barbies’ Hayley and Jenny are now on the outer.

A thriller for teenagers and adults who have one or remember what it was like to be one.
This is book two in the Natalie King, Forensic Psychiatrist series. It can be read on it’s own, but follows book one, Medea's Curse, which we featured last year. Natalie is again challenged on all sides, both personally and professionally as she deals with her own demons, and then encounters them in her work. Who should she be looking out for?

Insights into mental health, that reflect Buist’s background in this area, are combined with action and suspense to make this an interesting and compelling book.

The Little Big Book Club ~ July selection

Eve and Elly by Mike Dumbleton

Tumby Bay SACWA

The meeting of the Tumby Bay CWA was held on Wednesday 15th June 2016. The President Sandy McCallum opened the meeting and seven members attended.

Marie Lally celebrated her 80th birthday and we sang Happy Birthday to her and presented her with a birthday card signed by all present.

Roll call was ideas for next year’s programme; souvenir spoon, unusual bell, progressive games, pretty plate, visit somewhere, book bazaar, bush tucker, member’s hobby.

We were again without a secretary so President Sandy did both jobs. Certainly kept her busy.

Minutes were read by Marie and accepted and business dealt with. Sandy checked out two available trophy cabinets and we decided on which one we preferred.

A letter from Lion’s Club about a visitors board on Lipson Road entrance to the town was discussed and we decided to put our advertisement on the cottage and caravan accommodation with a large sign.

Helen gave the handicraft report and reported on the recent table day. There has been water damage around the hall so it was decided to arrange for Peter Poole to assess it. There was a meeting of the committee for the Christmas Pageant on 6th July at the Bowls Club at 7.30pm. Marie Lally gave the cottage report.

Because of the cold weather we decided to have a hot cuppa early. Sandy then closed the meeting and showed us a DVD about native bees which we found very interesting, learning facts about these small creatures none of us had known before. We are now more informed and understanding of the special help they are to our gardens.

Tumby Bay and Districts Neighbourhood Watch

Please note that due to lack of interest the Neighbourhood Watch is no longer in operation.
Our annual Handover Dinner was held at the Seabreeze Hotel on Monday June 27 2016. The District Governor of Lions and his wife Sandy joined 45 other members and friends for the occasion.

Rob performed the induction of Officers for the 2016/17 year; Ian Fulton remained President, 1st Vice-President and Tail Twister Wilbur Williams, 2nd VP Don Baillie, 3rd VP Terry Power, Secretary Alan (Horry) Richardson, Assistant Secretary Ian Charlton, Treasurer Wayne Branson and Lion Tamer Deane Liddicoat complete the Board. Special mention is made of the retiring Board and in particular Kevin Cook, as Cooky has been our resident joke teller and has held a number of positions on the Board over the years.

District Governor Rob gave an interesting talk into the insight of Lions and mentioned a number of roles that we play and some that some of us may have been unaware of. The Lions Foundation made funding available for the Pinery Fires and he made a particular mention of the work performed by our local members at Pinery.

The LCIF (Foundation) is operating a “skin cancer bus” and it will be in SA and NT in the next 12 months in the Rural areas to instigate testing for this insidious disease. He also spoke about the need for flexibility in the running of local Lions Clubs and the fact that we really do make a difference in our communities.

The evening was most enjoyable and we once again remind the community that we are always looking for new members. Our Club has a number of social functions in addition to the work and funds that we raise in the community please feel free to contact the above officers or any members for any details you may require.

Tumby Bay and District Lions Club

The topic from the floor was “an amusing event remembered from school days” which caused a smile. Moss’s took the cake.

The speakers introduced by Anne Swaffer were Kerri Stutley and Sue Trezise from the Variety Bash Fairies who shared how the funds, grants etc. are raised, the type of children who are helped through their efforts and that 98c in the dollar goes direct to their cause.

The cars must be thirty years old and are inspected by experts before they are passed for the trip. This year it starts in Port Lincoln on 4th July and after some rough tracks round Eyre Peninsula ends up in Clare, hence the label “from Great White to Great White” (i.e. GW Shark to GW Wine).

The teams certainly work hard for their wonderful cause which helps many children in Australia. Next Probus meeting 5th August, visitors welcome. “Wear your badge with pride.”

Moss Flavel

Want to make a difference?

West Coast Home Care is currently seeking more Contracted Care Workers to assist with the growing demand for services in Cummins, Coffin Bay, Port Neill, Tumby Bay and Port Lincoln areas.

We are an accredited service provider supporting the frail aged and younger disabled to remain in their own homes, providing assistance with domestic services, personal care, social support, respite and home and garden safety maintenance.

- Our contractors are trustworthy, hardworking, reliable and take pride in their work.
- If you fit this criteria and want to make a difference in your community, we would love to hear from you.
- Our contractor model of care offers flexible working arrangements and
- An opportunity for you to work independently with a supportive and caring organisation.

We offer an environment where people can unlock their potential and chart their own course.

Please call into our office at 4 Eyre Street, Port Lincoln to collect an information pack or give our friendly staff a call on 8682 2177 to organise a pack to be posted or emailed to you.

Tumby Bay Probus Club

Tumby Bay Probus Club meeting was held 1st July with 46 present. Following the National Anthem a minutes silence was held in respect of two members, Leon Higgins and Phyllis Moyle.

We welcomed two new members June and David Hedley, introduced by Von Fauser. June then gave a short history, in which we realised they have been in Tumby for a while.

After the minutes, birthdays and treasurers reports, the main business arising was about the Combined Probus Rally to be on 6th September at Quorn. Transport and accommodation is being organised for all, August meeting will be confirmed.

Lawrence was born at Seven Hills (near Clare, SA) on 9 August 1889 to John Polomka and Barbara Polomka (nee Vogt). There were 14 children in the family, 5 boys and 9 girls, of which he was the sixth eldest. His father was a farmer.

His schooling was undertaken at Seven Hills, on completion of which, at Grade 7, he worked on the family farm before moving to Tumby Bay and undertaking work on farms in the area until his enlistment in the Army in 1916; at the time he gave his employment as farmer.

On enlistment he was posted to 2nd Depot Battalion (Bn) at Mitcham for a period of 12 weeks to complete basic training. He was then transferred to 14th Reinforcements/27th Bn and undertook further training before embarking at Adelaide on 12 August 1916 aboard HMAT “Ballarat” bound for Plymouth (UK), arriving on 30 September 1916. After a further 2 months of training he embarked for Etaples (France) on 17 November 1916: immediately on arrival in France he was placed in an isolation ward of 24th General Hospital with mumps, a disease that seems to have been prevalent amongst the troops at the time. He was finally taken on strength by his unit on 26 December 1916 after his release from hospital.

The 27th Bn was a South Australian Bn which had been raised in 1915 and had seen action at Gallipoli and in the Middle East before entering the front line trenches on the Western Front in April 1916. The Bn took part in its first major battle at Pozières between 28 July and 5 August 1916. It was after this action that Lawrence joined his unit and took part in two attacks to the east of Flers in the Somme Valley, both of which floundered in the mud and were unsuccessful. The Bn then participated in a number of attacks during the German withdrawal to the Hindenburg Line in early 1917; although these attacks are described as minor in nature, casualties were relatively high.

The 27th Bn did not carry out a major attack again until September 1917. On this occasion, it was part of the 2nd Division’s first assault wave at the battle of Menin Road Ridge, which was part of the Third Battle of Ypres. Victory in this action was followed up with the capture of Broodseinde Ridge on 4 October, in which the 27th Bn also played a major role, but like so many of his mates, Lawrence did not get to see this, as during the initial attack he was killed in action (KIA) in Belgium at Westhoek Ridge near Polygon Wood on the 20 September 1917, the first day of the action. He was aged 26 years.

He is commemorated at Ypres on the Menin Gate Memorial, as his resting place is unknown. His name is also included on the Tumby Bay Memorial.

His 20 year old brother also served in 27th Bn and was wounded in action.
IN THIS TOGETHER

Caring for People with Parkinson’s

Training for staff of Residential Aged Care Facilities

When: Thursday, 11 August, 1-3pm

Where: Activity Room, Community Health, Tumby Bay

RVSP by to Natasha Clark by Friday 8 August by email tash.clark6@gmail.com or call 0438 269 502

Caring for People with Parkinson’s is a National Training Package designed specifically for the staff of Residential Aged Care Facilities. It is evidence based, with clearly stated and measurable learning outcomes, incorporating the principles of best practice in care, and is facilitated by specialist educators with expertise in providing care for people with Parkinson’s.

This training is proudly sponsored by Bendigo Bank - working with Parkinson’s SA to bring education and support to regional areas.

Medtronic - working with Parkinson’s SA to bring education and support to regional areas.
