DISTRICT COUNCIL of TUMBY BAY

NOTICE OF WORKS

Issued: 03/08/2026

Pearson Street Beach Access Staircase – Tumby Bay

The District Council of Tumby Bay wishes to advise residents and visitors that works are anticipated to commence at the foreshore opposite Pearson Street, Tumby Bay, from **Monday 3 August 2026.**

Works at the foreshore opposite Pearson Street will include:

- Construction of a new timber beach access staircase.

These works form part of the Tumby Bay and Port Neill Beach Access Project, funded through the South Australian Government's Algal Bloom Response: Local Government Grant Fund, with funding of $50,000 (ex GST).

Council has engaged local contractor, Butler General Building, to undertake the construction of the new timber beach access staircase at the Pearson Street site.

During the works and construction period:

- The Pearson Street beach access point will be temporarily closed to the public.
- Members of the public are requested to observe all safety signage, temporary fencing arrangements and directions from contractors.
- Alternative nearby beach access points will remain available.

Council appreciates the community's patience and cooperation while these upgrades are completed.

Further Information about the beach access works and Project information is available on Council's website: Tumby Bay and Port Neill Beach Access | Tumby Bay District Council
