DISTRICT COUNCIL of TUMBY BAY

Notice of Works.

Issued: 17/08/2026

Port Neill Beach Access Staircases

The District Council of Tumby Bay advises that construction of two new beach access staircases in Port Neill is scheduled to commence this week from **Monday, 17 August 2026**. Works are expected to continue throughout the week, subject to weather conditions and site requirements.

Construction activities will be undertaken at the following locations:

- North-west of the Jetty
- Mottled Cove Road

These works form part of the Tumby Bay and Port Neill Beach Access Project, funded through the South Australian Government's Algal Bloom Response: Local Government Grant Fund.

During construction, please observe all contractor fencing, barriers and signage.

Council appreciates the community's patience and cooperation while these important infrastructure improvements are being undertaken.

Further project updates will be provided as works progress. Additional project information is available on Council's website.
