**COMMUNICATION UPDATE 2**

**WORKS AND COMMUNITY UPDATE**
Issued: 06/08/2026

**Pearson Street Beach Access Staircase – Tumby Bay**

Works on the new timber beach access staircase at Pearson Street have now been completed with the site now open to the public.

Council thanks local contractor Butler General Building for their work constructing the new staircase and our Council civil works team for some pathway work at the site.

We appreciate the patience and cooperation shown by residents and visitors during the construction period.

The Port Neill beach access staircases will occur in the coming weeks. Further information about future works dates in Port Neill will be provided soon.

Further Information about the beach access works and Project information is available on Council's website: Tumby Bay and Port Neill Beach Access | Tumby Bay District Council
