

SPORT AND RECREATIONAL PRECINCT MASTER PLAN CONSULTATION

Fact Sheet

Purpose of the Master Plan

The District Council of Tumby Bay is developing a Sport and Recreational Precinct Masterplan for the Tumby Bay Oval precinct.

The precinct currently accommodates a range of sports, including tennis, netball, football, cricket and basketball, with clubrooms and toilet facilities shared by the football and netball club. The precinct also includes the Tumby Bay Bowling Club and an indoor stadium that is regularly used by Tumby Bay Area School. Other features include a BMX track, skate park, pump track, and fenced playground area. The oval is also regularly used as a dog exercising area.

The current shared-use facilities are fast approaching end-of-life, providing the perfect opportunity to think about how the precinct can be improved and revitalised. Council has started working with local sporting groups to develop an overall strategy for Tumby Bay Oval and is now seeking community input.

How To Have Your Say

It is important that the Sport and Recreational Precinct Masterplan aligns with the community's aspirations for this precinct. We are therefore seeking your feedback on what ideas you might have for the future development of the Tumby Bay Oval precinct. For more information or to share your ideas on the Sport and Recreational Precinct Masterplan, please come along to one of our community drop-in sessions.

Drop-In Sessions

Drop-in Session 1 – Tumby Bay

Meeting Room Adjacent Council Chambers
Thursday 19 October 2023
3.00pm – 6.00pm

Drop-in Session 2 – Port Neill

Port Neill War Memorial Hall
Friday 20 October 2023
4.00pm – 6.00pm

Drop-in Session 3 – Tumby Bay

Meeting Room Adjacent Council Chambers
Saturday 21 October 2023
10am – 12pm

Feedback can also be provided by completing a short survey. The survey can be accessed by scanning the QR Code on your phone, or by visiting Council's website.
