

PROFORMA PM2.1 – Pricing Policy Statement

[Please read Instructions before completing \(click here\).](#)

Question	Response
Please provide a description of the regulated Retail Services currently offered, as specified on the Pricing Schedule.	Effluent collection, treatment and disposal services via Community Wastewater Management Scheme (CWMS) - Tumby Bay and Port Neill Townships.
Please provide information on how the current pricing policies have been developed.	Pricing is based on full cost recovery of operational expenses, plus maintenance of a cash reserve for identified upgrades and renewal in accordance with Councils CWMS Asset Managment Plan. All funds received are quarantined within the CWMS reserve and are applied only for the purposes of the scheme.
Please describe the rationale for the price movements between the 2022-23 and 2023-24	Property unit charges have been indexed in accordance with changes in the Adelaide (All Groups) Consumer Price Index as forecast in Council Long Term Financial Planning. Development contribution charges have been reviewed and adjusted in accordance with changes in the Local Government Price Index plus 1% in accordance with Council Policy 10.6 CWMS Connections and Wastewater Disposal.
