"It is exciting to have received notification of our success in a grant application to fund half of [the Tumby Bay Mangrove Boardwalk] upgrade project from the State Government."
- Mayor Sam Telfer

DISTRICT COUNCIL OF TUMBY BAY

Deadline for Articles
5th June 2020

Email: dctumby@tumbybay.sa.gov.au

Mayor's Message

COVID-19

The last couple of months have obviously been a challenging time for our community, with restrictions being put in place by Federal and State Government meaning life for us as individuals and businesses have been significantly altered. I'd like to thank you all for your patience and persistence throughout this time, and it has been encouraging that in the last couple of weeks there have been moves to ease some of these restrictions. The numbers of COVID-19 cases in SA are at a low point, but we can't be complacent as individuals or a community. We must continue to follow the directions from SA Health and the SA Government, especially around social distancing and personal hygiene. If we continue to do so, there is a greater likelihood of a lessened risk of there being further occurrences. I am in constant contact with decision-makers in the State, and will endeavour to keep you all as updated as possible.

GM Cropping

This week the State Parliament passed legislation which removes the moratorium within SA on growing GM crops. As a part of this legislation, the obligation was put on Councils to consider if their area wanted to retain a ban. This isn't a subject which Councils have previously needed to consider as it is clearly a State Government issue, but now there is a responsibility on Councils to consider the matter. Any application must be based on a clear market advantage for the district, and can't be based on ideological or theoretical perspectives. Council will work towards a method for gauging our communities perspectives, with the key aspects being our agricultural and farming businesses which this impacts.

Tumby Bay Mangrove Boardwalk

Even before we were forced to close the Tumby Bay Mangrove Boardwalk over safety concerns, we have been working towards options for its long-term future. It is exciting to have received notification of our success in a grant application to fund half of this upgrade project from the State Government. It has been a great collaborative project, with the Tumby Bay Progress working with Council in the development of the application. To proceed, this project will need a significant Council budget allocation which is in the 20/21 Draft Budget which will be released for public comment. I'd encourage anyone interested in this process to download the Draft Annual Business Plan from the councils website from May 26, and participate in the public comment process.

Mayor Sam Telfer

Council Notes From the Desk of the CEO

Tumby Bay Mangrove Boardwalk

Replacement Boardwalk to be funded through a \$100,000 grant from DPTI, \$10,000 from EPNRM and \$100,000 from The District Council of Tumby Bay.

In July 2019 the Tumby Bay Council identified that the existing Mangrove Boardwalk in Tumby Bay was nearing the end of its useful life and was due for renewal. The existing boardwalk was closed for public safety and work began on a preliminary design and costing for a replacement structure.

Council included the replacement of the boardwalk in its Long Term Financial Plan 2020-2030 and in its Draft 20/21 Annual Business Plan.

Early in 2020 Tumby Bay Progress Association applied for a grant on behalf of Council to a Community Development Fund from which local governments were excluded. This grant was unsuccessful however the application formed the basis for the current application to DPTI's Open Space grant funds.

The application was for the amount of \$100,000 and this amount will be matched by a further \$100,000 from Council and \$10,000 from EPNRM.

The boardwalk is a valuable community asset for locals, tourists and people involved in studying mangrove environments and bird watching. Adjacent to the trail is an information hut with interpretive and educational signage. The boardwalk also forms part of a popular walking trail around Tumby Bay. The new structure will allow wheelchair and other mobility aids and will also be suitable for pushers.

The new structure will be environmentally friendly and constructed of a wood plastic composite product made of 100% post-consumer waste. Being water resistant, flexible and durable this product is excellent for a structure that is standing in water and for the local climate. It is termite resistant, non-toxic, anti-rust, and will not splinter, crack or crumble further adding to its longevity.

It is anticipated that the project can be commenced within three months and completed before the summer holidays to enable full use during the tourist season adding another attraction to enhance the visitor experience.

Thanks to Keryn Hibbit from Tumby Bay Progress who wrote the first grant application, Jasmin White (Council's Community Development Officer) who wrote the second grant application, and Damian Windsor, Council's Manager of Works and Infrastructure for working on the preliminary design and quotes.

Draft Annual Business Plan and Budget

Council has approved the 2020/2021 Draft Annual Business Plan and Budget for public consultation. The consultation period runs from 26th May to the 19th June and will be further advertised on Facebook, the Council Website, the Port Lincoln Times and local radio.

This year the consultation method will be different to previous years due to the restrictions on public gatherings forced by the COVID-19 situation and the State Government limits imposed on public gatherings.

The public meeting that is normally held for the public will not be able to occur. Instead the Council will set aside a week from Monday 1st June to Friday 5th June, from 9.00am to 12.00noon each day, where residents and ratepayers can pre-book appointments to meet with the Mayor, Councillors and Council Officers in the Council Chambers to discuss matters of concern and have questions answered. It will be essential to pre-book meeting times, limited to 20 minutes, to cater for the social distancing and limit on numbers that can gather in a building. Having twenty minute time slots will enable up to 45 sessions which is greater than the number of people who attend the public meetings.

Additionally, for those unable to attend from 1st June to 5th June a virtual Zoom meeting will be organised for Tuesday 16th June. People will be able to join this meeting remotely and, depending on numbers, can either type questions to be answered or ask questions live. The Mayor and Officers will be in the Chambers with other elected members watching via Zoom. There will be more details on how to participate in a Zoom meeting published in the June Community News and also on the website and Facebook closer to the date.

As with all Draft Annual Business Plans and Budgets Council strongly encourages as much feedback as possible and the primary method for making submissions is still writing or emailing Council with comments.

Written submissions can be made to:

District Council of Tumby Bay
PO Box 61
Tumby Bay SA 5605

Email submissions to:

dctumby@tumbybay.sa.gov.au

All submissions should be received by 5.00pm Friday 19th June.

All other queries or to make an appointment please call the office on 08 8688 2101.

Availability of the ABP and Budget

The ABP and Budget documents will be available on the Council website from Tuesday 26th May. Hard copies will be able to be collected from the office by appointment.

Age Friendly Grants

Department for Health and Wellbeing - \$23,600

Council has been successful in obtaining a \$23,600 grant to contribute to older residents living a good life in their later years in communities that value older people and recognises the opportunities to a community that an older population creates.

The project will formally run for twelve months and will contribute to:

- People building resilience to live well through the many stages of ageing;
- People leading the development and implementation of diverse options for living a good life in their later years;
- Communities self-organising to shape good living in our later years alongside other people;
- Communities building the capacity to develop diverse and better options for good living in their later years;
- Communities learning from each other and building on what works;
- Creating and spreading a view of ageing that is diverse, busts myths and enables planning for transitions as people age;
- Building resilience in individuals and communities for good living in our later years.

The grant application was written by Jasmin White, Community Development Officer, and Jasmin will be the officer responsible for implementing the project and working with community groups in the district.

Trevor Smith

Road Closure Lipson-Ungarra Road

The District Council of Tumby Bay advises that the Lipson Ungarra Road will be temporarily closed to through traffic to allow bridge upgrade works on the Bratten Bridge, between the Carrs Road and Liddicoats Road intersections.

The closure will be from 18th May for a duration of approximately 10 weeks.

The closure is required to allow works to strengthen the bridge so that it can safely accommodate higher productivity vehicles carrying heavier loads than the bridge was designed to withstand.

Cars and Light Vehicles

Detours for cars and other light vehicles will be in place and clearly signed for the duration of works. These detours will use the Council unsealed road network, and road users are reminded that unsealed surfaces are subject to change and are advised to slow down and drive according to the road conditions. The detour routes will take longer to travel so please allow additional time to be able to make the journey safely.

Light vehicles travelling from Lipson towards Ungarra will be detoured at Butler Road on the outskirts of Lipson township, onto Carrs Road, Butler Centre Road and Liddicoats Road to rejoin the Lipson Ungarra Road north of the worksite.

Barriers to prevent access beyond the Butler Road intersection will be in place and only local traffic requiring access to Baillie Road, Secret Rocks Road or properties accessed from the Lipson Ungarra Road south of the Bratten Bridge may proceed past this point.

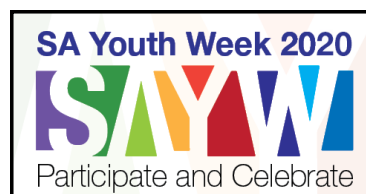

Light vehicles travelling from Ungarra towards Lipson will be detoured at Liddicoats Road, onto Butler Centre Road to join the Lincoln Highway approximately 4km north of the Lipson Ungarra Road intersection. Barriers to prevent access beyond the Liddicoats Road intersection will be in place and only local traffic requiring access to properties from the Lipson Ungarra Road north of the Bratten Bridge may proceed past this point.

Heavy and Restricted Access Vehicles

Heavy vehicles (including those carrying commodities, general freight or over-dimensional loads) approved to use the Lipson Ungarra Road are required to follow the signed Heavy Vehicle Detour Route via Lincoln Highway and East Dog Fence Road. These vehicles should not enter the Lipson Ungarra Road from either end. Movements off the signed detour route may require additional permit application to the National Heavy Vehicle Regulator. If you have any queries in relation to movement of your specific freight task please contact Council's Road Manager on 0427 882 074.

The Council understands that this work will disrupt normal personal and business travel for some ratepayers and the appointed contractor will be working as quickly as is safely possible to complete the works and reopen the road to traffic. We thank you for your understanding and patience while this important upgrade work is undertaken.

**Tumby Bay
YAC**

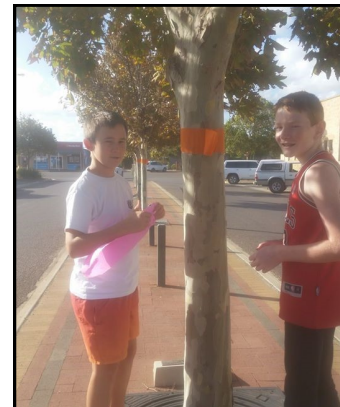

Happy Youth Week 2020!

SA Youth Week was held between the 17-26 April and as you may know Tumby Bay YAC had to cancel their planned SA Youth Week event.

YAC members Tash, Luke and Lucas found another way to embrace the theme of "Participate and Celebrate" by bringing some colour to the streets of Tumby Bay.

This months newsletter cover features photos of the YAC members decorating the trees.

Keep an eye out for information about our re-scheduled youth event later this year.

Community Development Officer's Report

If you have thought about downloading the COVIDSafe app but haven't – now is your time!

The COVID-19 pandemic is far from over and as a community we must stay vigilant in practicing social distancing and proper hand washing techniques. If by downloading an app is one way we as individuals can help #stopthespread then let's do our part. For more information around the app please visit <https://www.health.gov.au>

Lead Minister for the COVID-19 Wellbeing Strategy, David Speirs, MP recently launched the strategy and campaign, Open Your World.

The Wellbeing strategy focuses on getting South Australians into our beautiful natural spaces, as well as exploring our dynamic arts scene; embracing our love for sport and recreation; and inspiring the development of new skills.

We encourage you and your family and friends to visit www.openyourworld.sa.gov.au and support each other taking the first steps to improving your physical and mental wellbeing.

Together we will get through this, and we hope, a bit stronger than we were before.

**YOU'RE OFFICIALLY INVITED!
LIVE FROM AUS**

Tourism Australia will be transporting the country's incredible tourism offerings into the living rooms of hundreds of thousands of Australians with a curated live program of virtual travel experiences to inspire them to dream about their next Australian holiday.

Got plans in May? Well, you're going to want to cancel them! You're officially invited to the first-ever LIVE program of virtual events, launching on the Live from Aus Facebook page at 6.30am on Saturday, 16 May 2020.

For the entire weekend, you'll receive exclusive access to some of the most spectacular travel experiences Australia has to offer, with something new every hour.

Tune in throughout the weekend for an epic program of entertainment, hosted by some of Australia's most adored and iconic personalities. Think morning workouts with Chris Hemsworth's team in Byron Bay, croc encounters with Matt Wright and dance parties with The Wiggles. Take a break in Phillip Island and enjoy front row seats at the Penguin

Parade, be captivated by the underwater world on a virtual tour of the Great Barrier Reef, learn the best-kept secrets behind the ultimate Aussie BBQ from Hayden Quinn and soak up the serenity of an Uluru sunset, all from the comfort of your couch.

For more information visit www.Australia.com

\$10,000 Emergency Cash Grants for Small Businesses **Applications are now open!**

Businesses are eligible to apply for a Small Business Grant provided they meet the following criteria:

- Have an Australian Business Number (ABN) and were carrying on the operation of a business in South Australia as at 1 March 2020
- Employ people in South Australia as at 1 March 2020
- Have an annual turnover of more than \$75,000 (excluding GST)
- Have total Australian payroll of less than \$1.5 million, and not be entitled to a payroll tax waiver under COVID-19 support measures introduced by the South Australian Government
- Have been subject to closure or highly adversely impacted by COVID-19 related restrictions
- The enterprise does not engage in illegal activity.

Small businesses and not-for-profit entities that employ South Australians who have been highly impacted by the COVID-19 pandemic may be eligible to receive a \$10,000 grant to support the operation of their business.

The grant amount is \$10,000 per eligible business.

If a business has received any other Government of South Australia grants to address COVID-19 related business impacts, the value of these payment(s) will be deducted from the \$10,000 grant.

Applications close 1 June 2020

For more information go to <https://www.treasury.sa.gov.au/Growing-South-Australia/COVID-19/small-business-grant-covid-19-assistance-guidelines>

Grants SA – COVID-19 Support Grant

Grants of up to \$10,000 are available to eligible not-for-profit community organisations so they can continue to deliver programs during the COVID-19 public health emergency.

Projects should also achieve the objectives of providing **benefits to people and/or communities who are vulnerable or experiencing disadvantage.**

Applications open: 20 April 2020

Applications close: 3pm 20 October 2020.

For more information visit the Department of Human Services website at - https://dhs.sa.gov.au/services/grants-for-organisations/grants-sa?mc_cid=9aed34f932&mc_eid=a6d111f7b7

DOGS AND CATS ONLINE

Dog Registrations

Dog owners are reminded that you will soon receive dog registration renewals via the method chosen when registering last year, which will be by email, SMS, or post. This will provide you with the renewal code for the 2020/2021 registration period. Follow the steps to complete your registration.

A reminder that the dog registration disc number will remain the same for the life of your dog, and will not require a new disc. However if the disc has been lost you can request a replacement through Dogs and Cats Online for \$10, alternatively you may engrave your own tag with the registration number for your dog.

You can also log into your DACO account at www.dogsandcatsonline.com.au to complete your registration or change any details. If you have forgotten your password select forgotten password and follow the prompts.

ARE YOUR PET REGISTRATIONS UP TO DATE?

This year the District Council of Tumby Bay is waiving the fee for new registrations for the 2019/20 period from 1 June-25 June 2020.

By doing this you will receive an automatic renewal notice from Dog and Cat Management Board in July 2020 to renew for the 2020/21 period.

To register your pooch or friendly feline go to www.dogsandcatsonline.com.au

* * *

Council Meetings To Go Online

With the current participant limit on gatherings, we have made the decision to hold our meetings remotely via electronic devices.

Council meetings will be recorded and made available to the public on our website for the month.

Minutes are available from the Council website as normal. They can be found on the home page under agendas and minutes.

Thank you in advance for your cooperation.

May Reviews

Police corruption, an investigation that ends in tragedy and the mystery of a little girl's silence - three unconnected things that will prove to be linked by one small town.

While Detective Cormac Reilly faces enemies at work and trouble in his personal life, Garda Peter Fisher is relocated out of Galway with the threat of prosecution hanging over his head. But even that is not as terrible as having to work for his overbearing father, the local copper for the pretty seaside town of Roundstone.

For some, like Anna and her young daughter Tilly, Roundstone is a refuge from trauma. But even this village on the edge of the sea isn't far enough to escape from the shadows of evil men.

It is 1941. Eighteen-year-old Ruby leaves behind the family farm, her serious mother and roguish father, and heads for Adelaide. After a brief courtship, she enters into a hasty marriage with a soldier about to go to war - who returns a changed man.

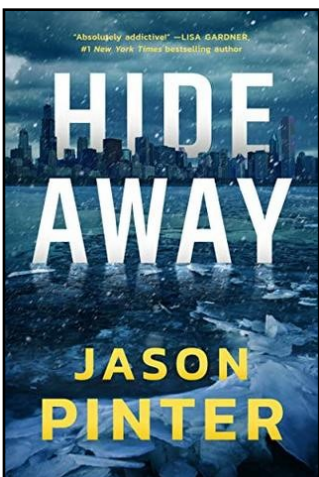

In this absorbing novel, Anna Goldsworthy recreates the world of Adelaide half a century ago, and portrays the phases of a woman's life with intimacy and sly humour. We follow Ruby as she contends with her damaged husband and eccentric in-laws.

We see her experience motherhood and changing social circumstances, until, in a moving twist, a figure from the past reappears, to kindle a late-life romance.

In her captivating fiction debut, Goldsworthy evokes a woman's life in a pre-feminist world. In this tender, funny book, she combines an Austenesque wit with Alice Munro's feeling for human complexity.

On the surface, Rachel Marin is an ordinary single mother; on the inside, she's a fierce, brilliant vigilante. After an unspeakable crime shatters her life, she changes her identity and moves to a small town in Illinois, hoping to spare her children from further trauma... or worse. But crime follows her everywhere.

When the former mayor winds up dead, Rachel can't help but get involved. Where local detectives see suicide, she sees murder. They resent her for butting in—especially since she's always one step ahead. But her investigative genius may be her undoing: the deeper she digs, the harder it is to keep her own secrets buried.

Her persistence makes her the target of both the cops and a killer. Meanwhile, the terrifying truth about her past threatens to come to light, and Rachel learns the hard way that she can't trust anyone. Surrounded by danger, she must keep her steely resolve, protect her family, and stay one step ahead, or else she may become the next victim.

ANZAC Day 2020

The President along with the Tumby Bay Sub-Branch Committee wish to thank Geoff Stewart very much for taking the initiative in leading and organising our 'different' commemoration on 25 April 2020. The following is his tribute to everyone that became involved this year:

What wonderful support from our community for the revised format of Anzac Day 2020 Commemoration Service in Tumby Bay. It was uplifting to see the effort that people, both old and young, had made to "attend" the service and the respect shown in commemorating the memory of our servicemen and women.

It was especially heartening to see the number of young people who were present for the ceremony: It augurs well for the continuance of the tradition of ANZAC.

I would also like to express my personal thank you to Dan Nair (SAPOL) for his patient assistance; Graham Ingram, our talented sound technician and Kathy Boyce, our valued mobile photographer, for their contributions.

Geoff Stewart

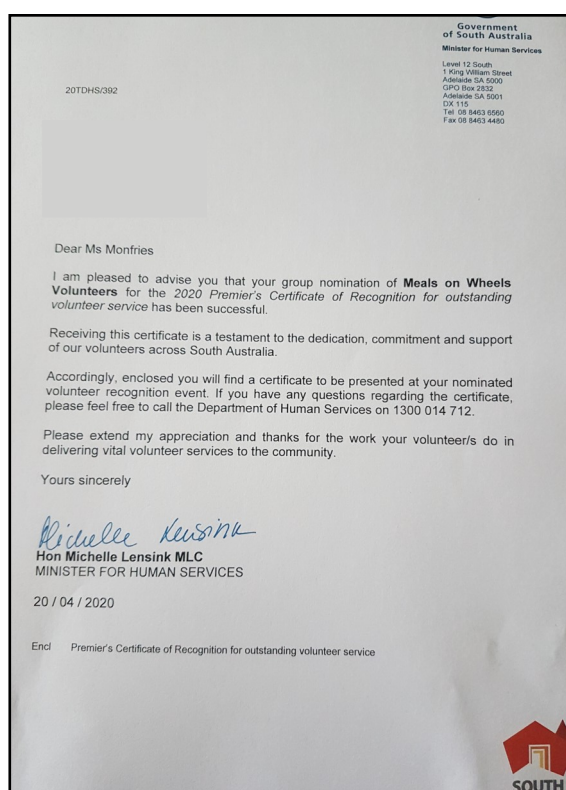

Lest We Forget

Meals On Wheels

I'd love to be able to say that the volunteers were nominated for the award because they are valued for the assistance they provide to the elderly and vulnerable in our community, and for their co-operation, especially in the current circumstances, which makes my position of volunteer co-ordinator so much easier.

I wanted to let them know, in a small way, that their efforts don't go unnoticed by the Meals on Wheels Committee, even if we don't always have the opportunity to let them know.

Museum News

Volunteers are getting busy at our National Trust Museum preparing for when they can open for visitors.

The volunteers are easily able to social distance and perform their regular tasks while waiting for the doors to open.

Our secretary Pat is planning to be busy cleaning. She plans to wash and vacuum floors, scrub walls, dust and wash items that are not in the glass cabinets and clean windows.

Pat plans to rearrange larger items to make more room and for displays to be more eye catching/interesting. It was a treat to listen to Pat's plans because she is so enthusiastic.

Then she mentioned another grant and what can be done when another room is built.

Pat went on to say that the committee was encouraged to apply for some funding that is to be made available through a grant and President David had revamped paper work that has once again been submitted.

Thankfully the generous builders did not change their original quote. More room is badly needed to display larger items that are currently stored elsewhere.

Helen has been taking home written information or photos to sort and record all that will be kept and catalogued.

Grant attends to paying accounts as they come and will be spending time at the computer cataloguing/filing everything that is kept at the museum.

If you need to know what is in the building just ask Grant.

I have attached a photo of the beautifully set breakfast table (eggs included) in front of the mantle piece surrounding the sparkling clean wood stove.

This museum will be ready for visitors as soon as the doors are allowed to open. There are so many beautiful items including a magnificent hand-made bed spread.

Everything there has a local connection and is well tagged with names of previous owner and donor. A credit to the work of a very few people.

Disability Information Helpline For People With Disability

Do you have a question about coronavirus (COVID-19)? Do you need help because things have changed?

You can contact the Disability Information Helpline to talk about your concerns in relation to coronavirus (COVID-19), for example if:

- your support worker has not turned up
- your provider has stopped services
- it's hard for you to get food, groceries, medications or other essential items
- someone close to you has symptoms of coronavirus
- you are feeling really upset
- anything else is worrying you.

To contact the Disability Information Helpline, please call **1800 643 787**.

The Helpline is available Monday to Friday 8am to 8pm (AEST) and Saturday and Sunday 9am to 7pm (AEST). It's not available on national public holidays.

If you are deaf or have a hearing or speech impairment, you can call the National Relay Service on 133 677.

If you require support in another language you can use the Translating and Interpreting Service (TIS National) free of charge by:

- calling the Disability Information Helpline on 1800 643 787 and asking for an interpreter. The counsellor will make the arrangements, or
- calling TIS on 131 450 and asking to be connected to the Disability Information Helpline on 1800 643 787.

The Disability Information Helpline is free, private and fact-checked.

* * *

The Disability Information Helpline is funded by the Australian Government.

For more information about the Disability Information Helpline, including Easy Read and Auslan resources about coronavirus, visit www.dss.gov.au/disabilityhelp.

For Paid and unpaid carers, family and friends

How can you support people with disability right now?

Many people with disability – and their families, carers, support workers and providers – may be concerned about or affected by coronavirus (COVID-19).

A new service called the Disability Information Helpline is available for people with disability who need help because of coronavirus (COVID-19).

It can help families, carers, support workers and services, too.

You can contact the Disability Information Helpline on **1800 643 787** to talk about your concerns in relation to coronavirus (COVID-19). The Helpline can refer people to advocacy, counselling, and other supports people may need.

The Helpline is available Monday to Friday 8am to 8pm (AEST) and Saturday and Sunday 9am to 7pm (AEST). It's not available on national public holidays.

The Disability Information Helpline is free, private and fact-checked.

When you call the Disability Information Helpline, you will speak to a person who will:

- Listen carefully to you.
- Use their connections to find things out, check the facts, and get information for you.
- Transfer you to services that can help you.

Transfer you to a phone counsellor for emotional support, if you would like.

Give you clear and accessible information.

For more information about the Disability Information Helpline, including Easy Read and Auslan resources about coronavirus, visit www.dss.gov.au/disabilityhelp.

Retire to Tumby Bay PARADISE BY THE SEA

RENOVATED ONE AND TWO BEDROOM
AFFORDABLE INDEPENDENT LIVING UNITS
FOR THE OVER 55'S

Tumby Bay offers an active Senior Citizens atmosphere, fishing, bowls, croquet, golf and other activities. Excellent medical facilities and shopping in a safe environment. Enquiries to Kelsey Enright on 0427 272 685 or email to tumbybayhomes@gmail.com

The committee have been very active with upgrades of vacant units. Unfortunately the planned open day for locals and prospective tenants is unable to proceed due to COVID-19 restrictions, however anyone wishing to view refurbished units can do so by contacting the president Ian Fulton 0457 417 870 or Secretary Kelsey Enright 0427 272 685.

They will be happy to arrange an appointment for you as the committee is very excited about the improvements and is keen to see all vacant units occupied as soon as possible.

STUDY INVITATION

WOULD YOU LIKE TO HELP IMPROVE BEREAVEMENT SUPPORT FOR OLDER PEOPLE?

The Melbourne Ageing Research Collaboration, led by the National Ageing Research Institute, is conducting a research project on grief and its effects on quality of life and healthcare use in older people.

To participate, you need to be:

- a) Aged 65 years or older.
- b) Currently living in Australia.
- c) Able to read and write in English.
- d) Have experienced the death of a significant person in your life at least 6 months ago or longer.

To participate in this study, we invite you to

Complete a 25-Minute Survey

The survey can be accessed online via this link:

<https://bit.ly/grief-survey>

If you prefer a paper-based version, please leave us a message with your name and address and we will post a survey to you:

Dr Katrin Gerber at the National Ageing Research Institute
Telephone: 03 8387 2662 - E-mail: k.gerber@nari.edu.au

All participants who return a completed survey enter into a draw to **win one of five \$200 Coles-Myer gift cards.**

This study has been approved by the Human Research Ethics Committee of Deakin University (Reference Number 2019-433).

Older Australians COVID-19 Support Line 1800 171 866

8:30am-6pm (AEST) Monday - Friday

It is essential that older people know what COVID-19 means for them and their loved ones, and that they do not feel lonely, disconnected or isolated because of current restrictions.

Older Persons Advocacy Network (OPAN), Council on the Ageing (COTA) Australia, National Seniors Australia and Dementia Australia have banded together to offer support to older people who have questions or are feeling isolated during this troubling time. These community organisations are well regarded, passionate, and very experienced in supporting older people.

This line can be called for information about how COVID-19 affects older people, and offers support for those who need it. The collaboration of these organisations means the line comprehensively covers different types of older Australians, including tailored information for people receiving aged care services and for those living with dementia.

Free call 1800 171 866 to speak with a friendly person who is there to listen and help. The line operates 8:30am-6pm (AEST) Monday to Friday, excluding public holidays.

Has someone you know cancelled their aged care services?

If you are concerned for the wellbeing of someone who has cancelled their aged care services because they feel unsafe due to COVID-19, we can help.

We will be conducting outbound calls to people who have declined their normal aged care services during the COVID-19 pandemic.

If you wish to register someone for a call, call the Older Person's COVID-19 Support Line **1800 171 866**.

A Soldier's Story

Written by Geoff Stewart

Service No: 3366
Name: Cyril Charles SCHRAMM

Medals and Decorations:
British War Medal
Victory Medal

Rank: Trooper
Service: Army
Enlisted: 15 March 1917

Cyril was born on 18 December 1897 at Whites River to Abraham Lincoln Schramm and Catherine Schramm (nee Simes). He was the fourth youngest of 14 children in the family, 10 boys and four girls. His father was a farmer at Whites River.

Cyril went to Whites River School, as did all his brothers and sisters, leaving at grade 7. On completing his education he worked on the family farm until his enlistment in the Army on 15 March 1917 at the age of 19 years. At the time he gave his address as Whites River via Tumby Bay and his occupation as farmer.

After enlistment at Port Lincoln he went to Mitcham for processing on 27 March 1917 and then to Base Light Horse to commence training. On completion he was allocated to 30th Reinforcements/9th Light Horse Regiment (9th L H Regt). On 29 October 1917 he entrained for Melbourne; three days later he embarked aboard HMAT "*Commonwealth*" from Melbourne, bound for the Middle East, arriving on 15 December 1917 and marched into Reinforcements Holding Camp at Moascar (Egypt) for further training. He was finally taken on strength by his unit on 20 April 1918.

The 9th L H Regt was raised in Adelaide in October 1914. Approximately $\frac{3}{4}$ of the Regt hailed from South Australia and the other $\frac{1}{4}$ from Victoria. The Regt saw action in Gallipoli, without their horses, before returning to Egypt in December 1915. The 9th then joined the ANZAC Mounted Division and was deployed to protect the Nile Valley from bands of pro-Turkish Senussi Arabs. It played a significant role in turning back the Turkish advance on the canal at the battle of Romani on 4 August 1916.

The Regt re-joined the Allied advance across the Sinai in November 1916 and was subsequently involved in the fighting to secure the Turkish outposts on the Palestine frontier at Maghdaba on 23 December 1916. The Regt's next major engagement was the abortive second battle of Gaza on 19 April 1917. The focus of British operations then moved to the Jordan Valley and it was at this time that Cyril joined his unit.

In early May 1918 the 9th was involved in the Es Salt raid. It was a tactical failure but did help to convince the Turks that the next offensive would be launched across the Jordan. Instead, the offensive was launched along the coast in September 1918. The mounted forces penetrated deep into the Turkish rear areas severing roads, railways and communications links. The 9th Light Horse took part in the capture of Jenin on 20-21 September 1918 and Sasa on 29 September. It was during this action that Cyril became ill and was taken to 26th Casualty Clearing Station before being admitted to 44th Static Hospital at Kantara (Egypt); he remained there for 10 days before being evacuated to 14th Army General Hospital at Port Said with Influenza. He was released from hospital in Mid October 1918 to light duties at Moascar before returning to his unit on 23 October 1918, just in time for the surrender of the Turks on 31 October 1918.

While awaiting to embark for home, the 9th Light Horse were called back to operational duty to quell the Egyptian revolt that erupted in March 1919; order was restored in little over a month.

Cyril, with his Regt, embarked at Kantara aboard HMAT "*Shropshire*" on 10 July 1919 for return to Australia. He took his discharge from the Army at Adelaide on 3 September 1919.

He returned to Tumby Bay and the farm at Whites River. However it can't have been all hard work as he met and married Edith Aileen Dunow on 2 July 1921 and they moved into the house of Hiram Schramm. In 1923 he took up a Soldier Settlers block (Repatriation Block?) 6 miles ($9\frac{1}{2}$ Km) south of Tumby Bay. The block was named "Hampshire Farm" and it was here that they raised a family of eight sons. He worked the farm for 40 years before retiring to a house in Tumby Terrace. The farm is now owned by Roedigers.

Cyril was an early member of the Tumby Bay RSL; he laid the foundation stone for the Club House on Anzac Day 1951 and was awarded life membership of the Club on 17 March 1954 and became a State Councillor for the RSL. He was also a founding member of the Tumby Bay Rifle Club.

After retirement his main interests were fishing and smoking of his catch plus being very active in the community.

Cyril died on 23 July 1973 and is buried in the Tumby Bay Cemetery. His wife died on 13 August 1981 and rests beside her husband.

Three of his brothers also served during WW1.
