Policy Statement

It is the policy of the District Council of Tumby Bay that a rebate of rates in respect of any rateable land in the Council area will be available only when the applicant satisfies the requirements under the Local Government Act 1999 and, where appropriate, the requirements of this policy.

1. Introduction

- 1.1. The Local Government Act 1999 (“the Act”) sets out at Chapter 10, Division 5 (Sections 159 to 166) those provisions applicable to the Council granting a rebate of rates to persons or bodies.
- 1.2. The Council has decided to adopt a policy to assist it in its decision making functions relative to the operation of the rate rebate provisions contained in the Act.
- 1.3. This policy is intended to provide guidance to the community as to the grounds upon which a person or body is, or may be, entitled to receive a rebate of rates and the matters that the Council will take into account in deciding an application for a rebate.
- 1.4. In accordance with the rebate provisions contained in the Act, this policy sets out the type of use in respect of land which the Council must grant a rebate of rates and the amount that rebate must be, and those types of land use where the Council has a discretion to grant a rebate of rates.

2. Local Government Act 1999

- 2.1. Section 159 (3) of the Act provides that the Council may grant a rebate of rates under the Act if it is satisfied that it is appropriate to do so.
- 2.2. The Act provides for a mandatory rebate of rates in specified cases and the amount of that mandatory rebate (see clause 3 below).
- 2.3. The Act also provides that where the Council must grant a rebate of rates under the Act, and the amount of that rebate is fixed by the Act at less than 100%, the Council **may** increase the amount of the rebate.
- 2.4. The Act provides, at Section 166, for the Council to provide a discretionary rebate of rates in the cases set out in that Section.

3. Mandatory Rebates

- 3.1. The Council must grant a rebate in the amount specified in respect of those land uses which the Act provides will be granted a rebate.
- 3.2. Rates on the following land will be rebated at **100%**:

Where the Council is not so satisfied it will require the person or body to apply for the rebate in accordance with clause 5 of this policy.

3.5 Where a person or body is entitled to a rebate of 75% the Council may, pursuant to Section 159 (4) of the Act, increase the rebate up to a further 25%. In either case the Council **will** take into account those matters set out at clause 5.4 of this Policy and **may** take into account any or all of those matters set out at clause 5.5 of this policy.
